- Includes Online Buyers Guide Listing for One Year.
- A Profile in the Buyers Guide Gives You Valuable Exposure at Very Low Cost.

You have **THREE** options to choose from....
to participate in the Annual Buyers Guide Issue as shown here:

1. PROVIDER PROFILE:

SI SYSTEMS designs, manufactures and installs automated conveyor solutions for companies involved in manufacturing assembly operations. These flush floor conveyors with ergonomically designed carriers and fixtures are used extensively in all types of vehicle and vehicle component assembly applications. SI's LO-TOW® assembly conveyor systems deliver improved product quality, ergonomics, increase productivity and reduced production costs. If it moves on roads, grass, snow or water there's a good chance it was assembled on an SI Systems conveyor.
